Product Description

4-In-1 Ultrasonic Vibration Slimming Beauty Machine EMS Slim Machine

Product Description:

With a voltage range of 100-240VAC, this machine is perfect for use in a variety of locations, whether it be at home or in a professional setting. Its 1MHz RF frequency ensures that the machine is capable of providing effective and efficient treatment for your skin. As an OEM Thermage RF Machine, this beauty instrument is made with high-quality materials that are built to last. Its Elight Rf Laser Machine technology ensures that you are getting the best possible treatment for your skin, while its IPL RF Beauty Equipment capabilities make it a standout product in the beauty industry.

Not only does this machine offer skin whitening benefits, but it also helps to slim and lift your face, giving you a more youthful appearance. Its anti-aging benefits are perfect for those looking to combat the signs of aging and keep their skin looking its best. Overall, the RF EMS Beauty Instrument is a must-have for anyone looking to improve their skin's appearance and achieve a more youthful, radiant glow. Its versatility and effectiveness make it an excellent investment, whether you are using it for personal use or in a professional setting.

Applications:

The LZR JF-6 is a versatile beauty tool that can be used in a variety of different scenarios. For example, it can be used in a spa or salon setting as part of a beauty treatment package. Alternatively, it can be used at home by individuals who want to take control of their beauty routine. The LZR JF-6 is perfect for people who want to achieve a slimming effect on their face or body. It is also great for people who want to lift and firm their skin, as well as those who want to reduce the signs of aging.

The LZR JF-6 has three different LED wavelengths (620nm, 415nm, and 530nm) which can be used to target different skin concerns. It also has five different modes, each of which is designed to provide a specific type of treatment. Some of the most popular modes include face slimming, face lifting, and anti-aging. The LZR JF-6 can be used in conjunction with other beauty tools such as the VELA-SHAPE Slimming Machine or the IPL RF Beauty Equipment to achieve even better results.

In conclusion, the LZR JF-6 RF EMS Beauty Instrument is a high-quality beauty tool that is perfect for people who want to achieve a slimming effect on their face or body, lift and firm their skin, or reduce the signs of aging. It is versatile enough to be used in a variety of different scenarios and is suitable for both professional and personal use. Whether you are a spa owner, a beauty enthusiast, or just someone who wants to look and feel their best, the LZR JF-6 is the perfect CET RET RF Machine for you.

Muscle

MAGNETIC LISKIN

Principle:

Tighten the lower muscle layer with a depth of 7cm, which makes the muscle strength contract for 30 minutes, which is equivalent to 30,000 abdominal crunches, which triggers the decomposition of body fat without affecting the skin, shaping the figure and charming curves.

Efficacy:

- ☒ Scientific body sculpting
- ☒ Healthy and efficient
- ☒ Increase muscle mass and reduce fat

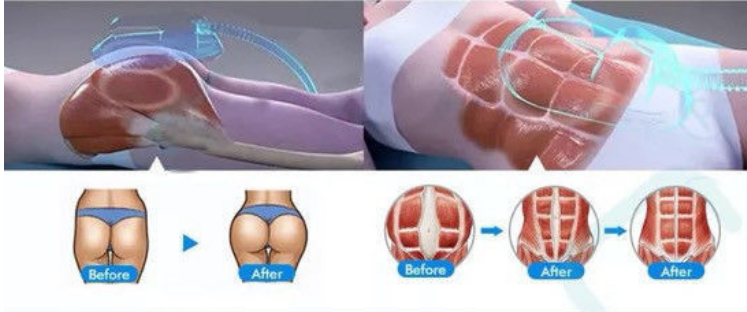

WORKING PRINCIPLE

NEO SCULPTOR HANDLES

Portable Neo sculptor is an instrument that eliminates fat cells and increases muscles non-invasively through the combination of synchronized radio frequency heating and high-intensity focused electromagnetic waves. High Intensity Focused Electromagnetic energy, the main force is to stimulate and contract muscles, reduce fat, applicable parts include the abdomen, buttocks, arms, calves and thighs. can strengthen and increase muscles, and at the same time achieve the effect of reducing fat.
